

## Cispreven/It helps maintain a healthy urinary track.

**N+S Nature System** is **Cinfa's** nutrition solution brand for a comprehensive health care.

Our experience, technology and knowledge allow us to make a selection of the most suitable active ingredients and provide them on the nutritionally correct amount.

This is how the solutions we offer meet the different needs for improving life quality.

**N+S Nature System**, your new ally to improve your health through nutrition.

Urinary alterations may occur in certain circumstances, they may cause itching and burning usually accompanied by an increase of the urgent need to urinate. It usually happens when *Escherichia coli* bacteria colonizes urinary track.

**N+S Cispreven** contains proanthocyanidins type A, which prevent from bacterial adherence and contribute to urinary track health.

**Cranberry dried extract** (*Vaccinium macrocarpon*. L.): natural extract containing proanthocyanidins. These are the main components with anti adherence properties fighting bacteria causing urinary discomfort.

**INGREDIENTS:** Bulking agent (microcrystalline cellulose); cranberry dried extract (*Vaccinium macrocarpon*. L.); coating agent (PEG 6000); stabilizer (hydroxypropylmethylcellulose and magnesium stearate); gelling agent (carboxy methylcellulose); anti caking agent (silicon dioxide); food colouring (E122, E104, E132).

**USE AS DIRECTED:** Take one capsule a day with a glass of water. Do not take this supplement if you are allergic to any of the components.
